

Johan Gely

M. Gely is the head of the Global Program Water (Swiss Agency for Development and Cooperation) in the Swiss Federal Department of Foreign Affairs. He has dedicated his entire career overseas (advising multi-stakeholder platforms, governments, civil society organisations and the private sector in transitional economies, fragile states and emerging market economies in Asia, Africa and Latin America) and in Switzerland (Federal Department of Economic Affairs and the Federal Department of Foreign Affairs) to support our common goal: positioning water prominently in the governments and the global debate to contribute to a water-secure world for All.
