

**Support for Victims: Actions and Commitment to Solving Africa's Rising Water
Crisis and Mitigating Desertification**

Convened by the African Union Economic, Social and Cultural Council (AU-ECOSOCC)

**Side Event - Budapest Water Summit 2016
30 November 2016, 10:00-11:00 – Duna Room (Building D)**

AU-ECOSOCC Nigeria Side Event titled Global Support for Victims: Actions and Commitment to Solving Africa's Rising Water Crisis and Mitigating Desertification as a platform to evaluate and engendering global support for victims in Nigeria and other parts of Africa who are experiencing shortage of clean water and confronted with desertification. The thematic areas includes addressing acute water shortage, mitigating desertification and climate change and it aims to draw global attention, to mobilize global assistance for immediate interventions for the provision of clean water and addressing desertification in Nigeria and other parts of Africa.
